

# NETWORK RAIL

## REPORT FEBRUARY 2017

### Sponsorship/enhancement update

- Shrewsbury station – toilet improvement works will commence early Summer 2017, layout will include the splitting of disabled/ladies toilets. The layout of the existing toilet block will be altered, particularly in order to separate the disabled toilets from the lobby of the ladies' toilet. There will also be an extension that will accommodate new cleaners' room and disabled toilet, which will make them easier to access. The façade will be clad in a similar manner to the recently constructed waiting room and information centre in order to create a cohesive image for new structures amongst the existing buildings.
- Welshpool car park – property issues to be resolved at car park with NR Property. NR solicitors are doing title searches at the present time
- Talerddig LC work – 8 crossings to close in 2017, road construction work now underway.
- Machynlleth station car park – Meeting arranged for 15<sup>th</sup> Feb to review options – attendees include NR/ATW and the local authority and Rhydian Mason.
- Bow St – Asset protection and support work for proposed new station. NR understands that an application has been made to the DfT New Stations Fund to support this scheme.

### Maintenance update

- Majority of the blocks on this line involve re-sleepering, re-ballasting etc – replacing life expired assets and rectifying faults
- Disruptive possessions leading to replacement road transport occurring over next few months, between Sutton Bridge Jn and Aberystwyth on nights of: 3/4<sup>th</sup> July, 4/5<sup>th</sup> July, 6/7<sup>th</sup> July

### Community Rail

- Active schemes at Tywyn, Tywyn station, Penychain and Criccieth, NR promoting and supporting Community Rail and welcome new scheme applications
- Barmouth celebrations – being led by Rebecca Heeley from NR to produce a comms response to event

### Performance

- PPM data for last couple of periods for Cambrian, Period 5 – 74%, P6 – 81%, P7 – 91%, P8 – 90%, P9 – 89%, P10 – 90%, other CRP lines avail on request.
