## Transport for Wales Update

Our mission is to Keep Wales Moving and we're committed to doing this safely and in line with [Welsh Government guidance](#) in these difficult times.

For the latest guidance on travelling on TfW services please visit:

<https://trc.cymru/travel-safer>

<https://tfwrail.wales/covid-19>

A reduced timetable is in operation and we encourage all passengers to check before they travel:

TfW is now taking further steps to improve safety, which includes:

- Providing hand sanitiser at stations to aid with hand cleaning
- Enabling more contactless payment options, to reduce physical contact between staff and passengers
- Enhancing cleaning regimes on trains and stations
- Facilitating social distancing measures as much as possible through signs and visual markers on trains and stations
- Providing maximum capacity on rail services wherever possible
- Supporting bus operators with advice on how they can improve safety for bus drivers and passengers

We are engaging with businesses to understand their plans for staff returning to work and also with local authorities to understand the plans being made for the reopening of schools and colleges.
